provides a comprehensive overview of every aspect of designing with type

between 1923 and 1947 the railway poster in Britain was in its heyday these were the years of the so called big four companies the Great Western Railway Southern Railway London Midland and Scottish Railway and London and North Eastern Railway in the competition for passengers each of the companies developed its own distinctive style of poster advertising this book contains over 200 of the most striking and innovative designs of the period

the first volume to showcase both Lincoln Center's fabulous public art and the List Poster and Print Collection art at Lincoln Center begins with a tour of the campus and the art that has been collected since its inception a brief history of how the pieces were selected and brought to Lincoln Center follows featuring Frank Stanton David Rockefeller and Philip Johnson who were the leading figures in building the collection with charming anecdotes about the artists and the politics behind the selections of the artists and their works the story of the creation of the List Collection with a focus on Vera List's formidable role close the text portion of the book the last portion is a complete catalog of the List Print and Poster Collection

Why did collectors seek out posters and collect ephemera during the late nineteenth and the twentieth centuries how have such materials been integrated into institutional collections today what inspired collectors to build significant holdings of works from cultures other than their own and what are the issues facing curators and collectors of digital ephemera today these are among the questions tackled in this volume the first to examine the practices of collecting prints posters and ephemera during the modern and contemporary periods a wide range of case studies feature collections of printed materials from the United States Latin America France Germany Great Britain China Japan Russia Iran and Cuba fourteen essays and one roundtable discussion all specially commissioned from

art historians curators and collectors for this volume explore key issues such as the roles of class politics and gender and address historical contexts social roles value and national and transnational aspects of collecting practices the global scope highlights cross cultural connections and contributes to a new understanding of the place of prints posters and ephemera within an increasingly international art world

featuring 20 removable frameable prints cover
